I am directed by the Referee to state that in order to ensure that the Military Service Pensions Act, 1934, shall be administered as closely as possible in accordance with the intentions of the Oireachtas, he would be glad of the co-operation of all officers of the Forces (as defined in the Act.) In this connection, I am to state that the Referee and Advisory Committee would be materially assisted if you were to furnish, at your earliest convenience:

(a) Names and present addresses of Battalion Staff as on the 11th July 1921, and the 1st July 1922, showing in each case the rank held on the respective dates;

(b) Names and present addresses of Company Captains and Lieutenants (if any):

(If any of the persons shown on either of the above lists were in prison or interned on the 11th July, 1921, please indicate cases concerned).

(c) Map of the Battalion Area showing, if possible, the Company Areas.

In case there should be any undue delay in the complete preparation of the information required, I am to ask you to forward at the earliest possible date such information as may now be available and which can be supplemented later.

A Chara,

I am directed by the Referee to refer to the application of Walter Doyle, Bridgetown, Co. Wexford, and to state that this applicant claims to have been Quarter Master, 3rd Batt. South Wexford Brigade, 1.R.A., on the 11th July 1921. According to records, however, submitted by your Committee it would appear that Patrick O'Keeffe, Shanoa, Bridgetown, was Quarter Master of that Battalion on the 11th July 1921.

I am, accordingly, to request the favour of your Committee's observations on the matter.

I am to add that consideration of this application has been deferred pending receipt of your reply.
