13adh Marta, 1935

The Referee,
Military Pensions Board,
Baile Atha Cliath.

A Dhuine Uasail,

On behalf of a brother of mine, who is at present in the United States, and at his request, I am writing to protest against what constitutes an attempted grave wrong against him, namely, an attempt to deprive him of his official rank in Sean Oglaigh na h-Eireann, for the purpose of obtaining a Military Service Pension.

The name of Patrick O'Connor, Ballynahill, is being substituted for his, I understand, in a surreptitious manner, although it was decided at a meeting at which I was present that this would not be done pending a further examination of the merits of the case.

Here are the facts of the case which can be satisfactorily touched for. John Hayes was Vice-Commandant of the 5th Battn. West Limerick Brigade. During the truce period in 1921 he was suspended by his superior officer on a charge which in no way involved a breach of military discipline. A bogus courtmartial was held on him subsequently but it arrived at no decision. This can be attested on oath by my brother.

As a bogus courtmartial failed to find him guilty of any breach of discipline he is unquestionably the Vice-Commandant still, and I ask you and the Board not to accept the claims of any other person to that rank until you are satisfied as to the merits of the contending parties for the rank.

I feel satisfied that the matter at issue will have the careful consideration of your Board.

Mise, le meas,

Sgd. Gearóid O h-Aodha.

BALLYHAHLIL, CO. LIMERICK.

4th June 1935.

A Chara,

With reference to my application for a military service pension I beg to state that I mentioned in form of application that I am in receipt of £4 per week from Limerick County Board of Health as Clerk of Works under Cottage Scheme.

My expenses in this position are £2 per week as I have a large area to travel, viz: the electoral areas of Rathkeale and Glin. This is a whole time job and I have to report weekly the amount of work performed each day. I have to take my dinner and once weekly my lodgings outside and am allowed no expenses. I was appointed to this position in or about the 1st February 1935 as my monthly payment for May will be the fourth payment received. Let me know is it necessary to forward to your department the names and addresses of officers and men of Battn. in both critical dates. I have sent same to Brigade Secretary already.

Mise, le meas,

Sgd. John T. O'Connor.

In reply to your query of Apr 29th
re Strength of Ballynahill Co. 5th Batt
as on April 1st 1921 I attach
a statement from J. J. O'Connor
Ballynahill, former O.C. 5th Batt
and Secretary 5th Batt Committee
to whom query was referred by direction
of Brigade Committee

It will be observed that the Co.
strength at the date in question was
much bigger than on July 11th 1921
(Co strength then 51)

The reason for this is that due to
very acute attention from enemy forces
following the action in this area
an I.R.A. detachment and English
military in which the Brigade O.C. Sean
Jenn was killed, a number of the
weaker members of the Co. fell away

through "funking it" to use a rather vulgar
but effective expression. There was
Continual raiding by enemy forces
as from Apr. 2nd till the truce.
