acava. In explanation I ought to add, that it was Miss Connor who always represented her Batt. at our Brigade meetings. Mrs. Cahill never attended one of our Brigade meetings as she never had the occasion to. It was Miss Connor who at our request in 1914 & with our co-operation, organised this area. Thank you. Miss.

MEMORANDUM on appeal against R.17 by (14209) Cahill, Bessie Mrs.  
Ballymacelligott N.S., Tralee.

---

This lady is shown on the records of Ballymacelligott D.C. as Captain of Ballymacelligott and Cloghers Branches, Cumann na mBan on both critical dates with a strength of 67, and on the records of Castleisland D.C. as Captain of Ballymacelligott Branch on 1/7/1922 with a strength of 26. She claims that she was President of Ballymacelligott D.C. Certified records and statements from responsible officers of the Kerry Brigades show that Miss A. M. O'Connor was President of this District Council on both critical dates. The President of Castleisland D.C. on the 1st critical date was Mrs. Kathleen Kelly, 50 Grosvenor Road, Dublin, and on the 2nd critical date, Miss Lizzie Williams, Day Place, Tralee, Co. Kerry. Mrs. Cahill also claims to have O/C. 2nd Battn. Cumann na mBan, Kerry II Brigade, and submits references from William C. Daly, Q.M. 2nd Battalion, Kerry II Brigade, and Mrs. Nellie Moynihan, Captain, Currans Branch, Cumann na mBan, showing that she was appointed to this rank about February 1921. Mrs. Cahill has submitted a list of members for Currans Branch (1918-1923) showing Mrs. Moynihan as Captain of the Branch, with a strength of 61. This is the only branch in the Battalion for which a list of members has been submitted. The letter from H.Q. Cumann na mBan on this applicant's file throws little or no light on the matter, as it has no less than five opinions on the matter, each contradicting the other. One new claim is advanced in this letter viz; Mrs. Cahill was O/C. Firies (District or Branch not stated) on both critical dates.

## Note on organisation of Castleisland and Ballymacelligott District Councils:

It is noted that both of these District Councils claim to have had the following Branches within their jurisdiction on both critical dates, and that they differ very much in the strengths submitted for such branches - Castleisland, Currow, and Cordal. The Castleisland D.C. shows these branches having strengths of - 79 and 70; 36; 76 and 76; while the Ballymacelligott D.C. shows them having - 25; 20; 20; on the 1st and 2nd critical dates respectively.

No applicant from any of the above-mentioned units has been granted Grade "D".

49, Moyderwell, Tralee.

---

This lady was President of Ballymacelligott District Council, on both critical dates, and was also Captain of Farmer's Bridge and Ashill Branches, with strengths of 40 and 12 respectively on both dates. There was no Branch in this District Council with a strength of 100 or more on either date. The total strength of the District on 1st Critical Date was 184 and on the 2nd Critical Date was either 158 or 117. Ballymacelligott Branch was transferred to Castleisland D.C. on the 2nd Critical Date, and the strength of the Branch shown on the Castleisland D.C. records is 26, while on the Ballymacelligott D.C. records the combined branches of Ballymacelligott and Cloghers are shown with a strength of 67 on 1st July, 1922.

Note on organization of Castleisland and Ballymacelligott District Councils.
