Dear Sir,

I am writing you on behalf of the parents of the two young men Michael McEnanery (Billeady) and Thomas McEnanery (Corlealachadh) who were killed in an ambush at Carnagh, Co. Armagh at end of June 1921. I cannot understand your letter to parties concerned of September 1st that "this case does not come within their terms (Compensation Committee) of reference and cannot be considered by them". It was distinctly stated in paper in February and March last that any family losing a son or member in the I.R.A. days would receive compensation. The two McEnanery boys were members of the I.R.A. and lost their lives in the fight for Irish Freedom. I made a claim on behalf of the two families some months ago, and I received a reply that "Forms" would be sent on later to be filled up. These "Forms" were never sent. The parents made a further claim on 24th August 1923 following your advertisement in Irish Independent of 1st August 1923, and I cannot explain your reply of 1st September 1923. Certainly their case is one deserving of every consideration. These boys were the main stay of their aged parents and I should like to know on what grounds you turn down their claim.

The families have asked me to write you on their behalf and I have undertaken to do so. Hence you will kindly reply to me.

Yours truly,  
(S)(Rev) James O'Duffy Adm.

Mr. D. Shanagher.

Dear Sir.

I have seen in the Independent that compensation claims are about to be paid in respect of personal injuries so I now write for particulars as to where I am to apply to. I lost my son Thomas McBaneany on 30th June 1921 in an ambush at Tannah and I have endured many a hardship since he was killed so I think it is time I ought to get compensation. He did his share to free his country so his memory should not be forgotten. This happened just before the Truce so I am anxious to know which Government is to pay the damage as I heard that the British Govt. was to pay all damage before the Truce so I hope you will let me know so that I may be able to forward my claim as soon as possible.

I remain, dear Sir,

yours respectfully.

Bernard McBaneany.
