Sir, re your letter of 6th Nov. The lists
I sent are for the 11th July 1921. Our
Bath area was subdivided in July 1922
& I understand the names are being sent
by the Officers then in Charge. I was
superceded before the 12th July 1922 on
acc of my views. The Majority went pro- freely
& at that date I was only acting S/O
for the Republican side

I understand that Mr Patrick Ruane
of Bermontide Monaghan B. Soc is responsible
for the other date (the 12th July 1922)

Hope this is alright

If you want a private opinion on the
activities of these Coy's I can give them
since if they were inactive on the date

A Chara,

I am directed by the Referee to refer to your letter of the 14th ultimo relative to your application under the above Act and I am to state that you will be notified without undue delay when a decision is reached in your case.

I am also to state that in accordance with the general procedure adopted in dealing with applications received from former members of the various Brigades throughout the country, matters concerning applications from former members of the Mountbellew Battalion are being dealt with through the Brigade Committee established for the Brigades to which that Battalion was attached on the 1st July, 1922.

As the Mountbellew Battalion was attached to the South Roscommon Brigade on the 1st July, 1922, it is accordingly suggested that you should consult the South Roscommon Brigade Committee, of which Mr. John Hanly, Ballygar, is Secretary, in regard to the other matters referred to in your letter under reference.

Mise, le meas,
