A Chara,

I am directed by the Referee to refer to your letter of the 12th instant enclosing copy of the roll of No.1 Company Engineering Battalion, Belfast Brigade, I.R.A. for the 1st July 1922, and I am to inquire whether this was the only Company of the Engineering Battalion which existed on the 1st July 1922. If other Companies in the Battalion existed on that date I am to request your Committee to be good enough to furnish, at the earliest possible date, copies of the rolls for them.

I am also to inquire whether the names of any persons given on the copy of the roll furnished with your letter under reference for No. 1 Company are shown on the copies of the rolls submitted some time ago by your Committee for the other Companies in the Brigade, and if so, I am to request your Committee to indicate the names of the Companies concerned in order that the necessary adjustments may be made.

Mise, le meas,
