Colonnell District Council
Period 11th July 1921.

Branches

It is not easy to give an account of all the ^{Branches} officers in the Colonnell District Council at the Period 11th July 1921. As it took the place of a Brigade for us while our Organisation was developing.

In the Colonnell D.C. at the Period 11th July 1921. We had officers from six District Councils as well as a Section from Co. Waterford.

To explain how this happened it is necessary to go back to the beginning ⁱⁿ of 1918. When Sean Gracy R.S.P. came to see me re Cumann na mBay Organisation. He said if I could get one or two good girls in each district it would be sufficient. I then commenced to organise branches near my own district. As soon as these branches were organised they came to my D.C. meetings for instructions etc. And when these branches increased to 3 District Councils including Colonnell (some of these branches formed part of my D.C. in the beginning) they still came to my D.C. meetings together with a Section that I had organised in the Co. Waterford.

The organising took some time. We had the greater part of South Tipp. organised in 1920. Early in 1920. I had to organise the Cahir. Ballylooby D.C. for D. Breun's ^(?) Flying Column. These came as well to my D.C. meetings. Also there came officers from Carrick D. Council & from Drangan D.C. (These two I had nothing to do with their organisation)

On account of the Flying Columns it was necessary for us to be connected up. The (D. Gracy's R.S.P. ^{Column} was in being much earlier than Dan's)

(D.C. had two Col. in the War on)

stronger branches helped the weaker ones.
I had to teach first aid, home nursing - treatment of wounds
etc in districts where they could get no nurse. I taught
in 4 different D. C. areas.

We also had a fund for getting clothes etc for the
columns. Any area that was short supplies
was to come to me for them. They left the
money with me. I had to take the position
of treasurer as well as President. None of the
other girls in town were available.

Most of the officers of the Clonmel D. C. put
up the Columns. They also did dispatch &
intelligence work. Laundry etc. looked after prisoners.
My own house was used as an Hotel, an arms'
Dump. an arsenal & barracks also, a post office etc
we had no red tape then.

Sometime after the Period July 11th 1921. At the
request of Denny Lacey P. S. P. We formed the
3rd Lipp Brigade. So that at the
Period 1st July 1922 the Clonmel D. Council
had shrunk to the size of an ordinary D. C.
Mary Cooney D. C. 3rd Lipp. Bde.

A Chairde,

I am directed by the Referee to refer to your letter of 23rd ultimo relative to the organisation records of a number of District Council areas - Cumann na mBan, and I am to state that with the exception of Dublin the particulars furnished to this office for these areas are not completed in accordance with the requirements of the Referee. In this connection I am to state that the Referee requires the following records for each District area as on the 11th July 1921, and 1st July 1922 :-

- (a) particulars showing the names, and, as far as may be possible, the present addresses of the officers of the District Council;
- (b) a statement showing the names of the Branches or Squads attached to the District Council area;
- (c) lists showing the names, and, as far as may be possible, the present addresses of the officers and numbers of each Branch or Squad in the District Council area.

It is important that the particulars be furnished on separate lists for each date and that only the names of those who were members of their units on the respective dates be given. Accordingly, I am to enclose herewith the records received in respect of Bandon, Ballydehob and Clonmel District Council areas and to point out that it is not clear from the particulars for Bandon and Clonmel areas :-

- (a) what branches or squads existed in each area on the 11th July 1921, and 1st July 1922;
- (b) who were the officers of the District Council on each of those dates, or
- (c) who were the officers and members of the various branches or squads on each of these dates.

As regards the data for Ballydehob area I am to point out that particulars of the District Council officers are not given for the 11th July 1921, and 1st July 1922.

I am to request your Committee, therefore, to be good enough to have the enclosed records re-submitted on the lines indicated and certified as correct. When these have been returned duly completed a further communication will be addressed to your Committee regarding the particulars for the other District Council areas mentioned in your letter under reference.

As regards the certificate of accuracy I am to state that this should be signed by at least two members of your Committee in addition to the Hon. Secretaries.

I am to add that further consideration of the applications received from former members of Cumann na mBan has been deferred pending the completion to the satisfaction of the Referee of the organisation records of the units to which the applicants belonged.
