Re Military Pension

£ 54d No 39/2516. Annuity No 131/9622180

I have received cheque for above value £10.66 for month ending 31/12/73. and a notice saying that I was assessed for £58.10 Income Tax and saying it was to be recovered by instalments from my pension commencing with the payment for the period ending 31st December 1973. It is stated on cheque that payment is for the period ended 31st December 1973. To me the both are the same. Am I entitled to get this cheque cashed? If not I will return it to you on hearing from you what the position is.

I wrote the Director of Taxes Herby House on 15th inst as I had been notified by you on 10th as to the position and I got no reply or explanation so far.

Answered No. 1/131/9622180.

I received a form from the Inspector of Taxes under date 18th Jan 1974. which stated my income was for 1973-74 £653 and the amount of tax was Nil.

The following was stated on the form "The Dept of Defence have been notified to refund the tax collected". Previous to this no tax had been collected as I was paid pension up to and including 31-12-1973. but I got no cheque for month ending 31-1-74.

There would appear to be some mistake somewhere. Please look into the matter, as I being 78 years of age and an invalid suffering from Coronary Heart Disease and Arthritis I could well do with the amount, as you see my income is so small.

With reference to your letter of the 24th inst I
am to state that as your income-tax assessment
for the year 1943/44 is £58.10. and your
pension entitlement from January 4th until
March 4th is only £31.98, it will be necessary
to hold your Military Service Pension from
January until June 4th to recover this amount.

Any enquiries concerning this assessment
should be addressed to: The Inspector of Taxes
for Public Departments, 41, Kings House District 2,
quoting this number 131/9622180.

Yours sincerely

Dear Sir,
Thanks for cheque received today.
I am returning same herewith, as it is not in order.
I already got cheque for December 1973 and got
it cashed. Perhaps Bank have not returned it
so far. This cheque is therefore in excess.

I also have a form from you stating that
my pension has been discontinued to pay
for Income Tax.

Yours sincerely

I received my Service Pension up to date except for the month of January, 1974. In January I received a cheque from your Office and it included pension for the month of December 1973 and ^{January} 1974. I had already received and cashed cheque for December as the only course left for me was to return cheque, as I could not legally cash another cheque for December, and allow you to send on the one for January. I have heard nothing since.

Please look into the matter and have it put right.

I wrote you on 4th inst re my Pension Allowance for the month of January 1974. I received a cheque which included the months of December 1963 and January 1974. As I had already received Pension for December I had no option but to return cheque as the December cheque was already cashed by me. I expected you would send me a cheque for January when you received the one you issued for 2 months instead of one which was no fault of mine. It appears I am not even entitled to a reply of any sort, but then I am one of the few Easter Week men now left and nobody seems to bother about them. Why was amount sent in a way that I could not cash it? I have been paid for every month except this one.
