A Chara,

I am directed by the Minister for Defence to refer to previous correspondence in connection with your application under the Military Service Pensions Act, 1934, and to state that the Referee reported that you are not a person to whom the Act applies - the Act of 1924 being applicable in your case.

As the latest date for the acceptance of applications under the latter Act has now expired, it is regretted that no further action can be taken in the matter.

Further to Mr. Egan's minute of 1st July last and enclosures thereto (returned herewith) I am to state that in his application form M.S.P/34/1, the applicant states that he served in the National Army 'till September 1922, but did not apply under the 1924 Act as he was leaving for U.S.A. where he was until recently (i.e. December, 1936).

If, in fact, he did not so apply, it is a matter for the Minister to decide whether or not his 1924 Act application can now be accepted.
