On the 31-10-38. received notification from the assessor of Public Depto Branck of Inland Revenue Commissioners that the Income Yax assessed on my military Dervice Pension for the financial year 1938-39 is £14-1-3., which amount, it is stated, will be recovered as shown in a list of sums for the last six months of the financial year under the heading Proposed method of Recovery In this list the amount to be deducted for December 1938 is given as £ 3-0-6

whereas the amount actually deducted in the draft issued to me on the 31st ultimo was £ 4-0-6.

I wrote to the Inland Revenue Commissioners on the 2nd inst and I have their reply stating that the deductions for Income Yax already given effect to in the months of October 7 November would be included in the draft issued for the quarter ending on the 31st December, and adding that any further communication regarding the nethod of deductions for Income Yax should be addressed to the December,

As mine is a monthly draft, and the sum of \$1,2 had already been deducted from each of the drafts issued to me in for October 9 November I cannot understand why this £4 should again be deducted why this £4 should again be deducted for December. An early reply with refund will oblige yours faithfully Denis Daly.

I am directed by the Minister for Finance to refer to this Department's minute of even reference dated the 11th March, 1936, relative to the grant of a pension under Section 11 of the Military Service Pensions Act, 1934, to Mr. Denis Daly of Main Street, Cahirciveen, Co. I am also to transmit herewith a copy of this Department's letter (P.6/98/37) of the 30th ultimo addressed to Mr. Daly.

Mr. Daly has elected to retain his Military Service pension which accordingly falls to be suspended by the appropriate percentage laid down in the Third Schedule to the Military Service Pensions Act, 1934, as from the 14th August, 1936, inclusive. Any overpayments of Military Service pension issued in respect of that period should be recovered from the next payment of pension to him. A Dhuine Dasail,

I am directed by the Minister for Finance to inform
you that he has issued a certificate under Section 11 of

£327:1:5d

you that he has issued a certificate under Section 11 of the Superannuation Act, 1936, which renders you eligible for an award of superannuation under the Superannuation The amount of pension to which you would normally Acts. be entitled is at the rate of One Hundred and Twenty-one Pounds Eight Shillings and Nine Pence a year, with effect from the 14th August, 1936, inclusive, together with an additional allowance (lump sum) of Three Hundred and Twenty-seven Pounds One Shilling and Five Pence. however, a pension under the Military Service Pensions Act, 1934. has also already been awarded to you and as an overlapping period of time is reckonable for the purposes of both pensions an adjustment of the amounts of the pensions must be made in accordance with the provisions of Section 20(2) and (3) of the Military Service Pensions Act, 1934.

I am, accordingly, to state that one of two courses is now open to you, namely:-

- (a) to retain the Military Service pension payable as from the 1st October, 1934, and to receive as from the 14th August, 1936, in substitution of the above mentioned award of the Superannuation Acts a reduced award of superannuation computed on the service determined under Section 11 of the Superannuation Act, 1936, less the overlapping period of time which has been reckoned in the computation of your Military Service pension, or
- (b) to surrender your Militery Service pension with effect as from the 14th August, 1936, and to receive as from that date an increased possion with under the Superannuation Acts computed on the certified service under Section 11 of the Superannuation Act, 1936, but in the calculation of which the overlapping period of time which is reckonable for the purpose of your Military Service Pension has been reckoned in the manner specified in the Second Schedule to the Military Service Pensions Act, 1934.

The amount of the pensions payable under the alternative courses are shown in the enclosed statement. In your case the alternative (a) would appear to be the more favourable. Before, however, taking further action in the matter the Minister would be glad if you would indicate in writing your preference as respects the alternatives open to you.
