I have received Certificate of Military Service, for which I enclose receipt. I consider said Certificate unsatisfactory and wish to register a protest against it. I fail to see why I am deprived of any service in Periods 3 and 5., as I believe, I offered proof of service during these periods. It would appear from it that I dropped out of the organisation during these years which was not the case.

I wish for return of letters of reference which I gave to the Board on making my application. Kindly inform me will I have to apply to Board for same.
