Military Arc 4 Meitheamh, 1952.

A Chairde,

Patrick J. Murray, Deceased.

With further reference to your letter of the 7th ultimo regarding the above-named deceased Military Service Pensioner, I am directed by the Minister for Defence to state that the balance due under the Military Service Pensions Act, 1934, to the estate of the deceased assuming the date of death to be the 18th April, 1952, amounts to £1.1.1d. This balance will be paid to the legal personal representative of the deceased upon production at this Office of Probate of Will or Letters of Administration.

If, however, the deceased died intestate and the value of his Estate does not exceed £100 the enclosed Form of Statutory Declaration should be properly executed and returned to this Office together with (1) the receipted bills for the funeral expenses, and (2) a Registrar's Certificate of Death.

In this connection it is desired to point out, that as the Funeral Expenses are a first charge on the Estate of a deceased person receipted bills showing that these expenses have been discharged must be produced before payment of the balance due under the above Acts can be made.

In the event, however, of the Next-of-kin being unable to defray the Funeral Expenses, this Department, if it is so desired, is prepared upon production of the relevant Bills, to pay to the Undertaker, within the limit of the balance of £1.1.1d. due to the date of death, the amount of his account.

I am to add that there is no provision in the Military Service Pensions Acts for a payment to the widow or dependants of a deceased pensioner other than the balance of pension due to date of death.
