1916 Medals are not normally  
engraved when being issued  
to surviving applicants. However  
two medals issued recently  
have been engraved. This is  
because the medals being  
issued have been engraved  
before and the engraving erased.  
The present engraving is done  
in order to make the  
medals more presentable for issue.

Ref A3(B) 4/10/83.
