I n the cheque received from your department for the period ended 30th Sept 1939 you deducted £2-15-5. under Section 20. In view of the amt. earned by me for that quarter I consider it rather excessive. I trust you will be good enough to Enquire into this matter and let me have your observations.

Also for the month of October I only received £3.0-0. although I was not working.

I may be labouring under a misunderstanding and an explanation from your Dept. will be very much appreciated.

Dear Sir, Military Service Pensions Act 1934.
Est.No- I588.

We have been consulted by Mr. Luke Sheridan of Linenhall Street, Castlebar, with reference to a deduction made under Section 20 of the Military Service Pensions Act 1934.

We would point out to you that this deduction is based on the nominal salary of our client for the year, whereas in fact our client is a part time official. The amount earned by our client during the quarter ending September 1940 was altogether £2-14-0 which can be verified at the Offices of his Employers - The Mayo County Council. The deduction under Section 20 is £2-15-5.

We enclose herewith the Order issued to our client in order that you may rectify same and return to us. Our submission is that under Section 20 the deduction and the basis on which the deduction must be based is on the actual Salary which our client receives and not the salary he would receive were he a whole time official.

An early reply will oblige.

Yours faithfully,
MICHAEL MORAN & CO.

A Chara,

In connection with the Military Service Pension being paid to you by this Department, I am directed by the Minister for Defence to state that a return has now been received from the Mayo Co. Council

from which it appears that your receipts from Public Funds for the financial year ended the 31st March last amounted to £ 301.12.0.

As a consequence, the nett amount of pension to which you were entitled in the year, having regard to the provisions of Section 20(1) and the Third Schedule to the Military Service Pensions Act, 1934 was £ 48.5.6. You have actually been paid £ 49.17.6. Your account is thus ~~underpaid/overpaid~~ to the extent of £ 1.12.0, which will be adjusted in the payment of your pension for April 1950.

Payment of pension for the present year will be made to you at the nett rate of £ 47.2.1 subject in the same way to adjustment at the end of the financial year.

Mise, le meas,
