A Chara,

With further reference to your representations on behalf of Mrs. Bridget Elliott, Castle Street, Castlebar, regarding her proposed application under the Military Service Pensions Acts, I wish to say that the statutory time limit for the acceptance of completed forms of application from persons who had not previously applied under those Acts expired on the 18th March, 1955. There is no record in my Department, however, of Mrs. Elliott's having applied on or before that date.

I have no discretionary power to accept an application after the expiration of the statutory time limit. In the circumstances, I regret that no action can now be taken in the matter and no useful purpose would be served by issuing an application form at this stage.

Mise, le meas,
