With further reference to the representations of An tAire Tailte on behalf of Miss Winifred O'Malley, Arderry, Aughagower, Westport, An tAire Cosanta desires me to say that a statutory condition for the award of a special allowance in Miss O'Malley's case is that she be incapable of self-support by reason of permanent infirmity. Miss O'Malley's application was rejected on 13th June, 1959, as it was not established that she was so incapable. A medical certificate submitted by Miss O'Malley in December last was not regarded as sufficient to warrant the re-opening of her case.

If Miss O'Malley can produce medical evidence that the state of her health has considerably deteriorated since the date of the last medical certificate furnished, i.e., the 4th December, 1959, and that she is now incapable of self-support by reason of permanent infirmity, her case will receive further consideration.

The evidence should be on the lines of the enclosed leaflet.

Re: Winifred O'Malley, Arderry, Aughagower.

She complained of deafness. Examination - right ear - total dry perforation present - left ear - very extensive suppuration present which has extensively eroded the mastoid bone. Her deafness is marked on both sides and appears to be a mixed deafness.

Recall in two weeks' time.

Dear Dr. King,

I do not think that much can be done about this lady's deafness, but a hearing aid might benefit her. She might care to make inquiries as to whether the local authority would help her in this matter. I think she should continue on the powder, as prescribed by Mr. Mulligan, and a little could be used in the right ear also. The left ear looks pretty dry now but, of course, nature has more or less performed a radical operation in this case. I will see this lady again in three or four weeks.

Dear Dr. King,

This lady's left radical cavity is dry and her right ear also seems to be pretty negative.

As regards the possibility of her getting a hearing aid, she would have to apply to the local authority and would have to go to Dublin, possibly to the Eye & Ear Hospital to have a hearing aid trial carried out.

I do not think I need see this lady again unless you think it necessary.

don Aire Tailte.

With further reference to your representations on behalf of Miss Winifred O'Malley, Arderry, Aughagower, Westport, regarding her application for a special allowance under the Army Pensions Acts, An tAire Cosanta desires me to say that as indicated in my letter of the 2nd July last, a statutory condition for the award of a special allowance in Miss O'Malley's case is that she be incapable of self-support by reason of permanent infirmity. The medical evidence and all the facts in connection with her case were very carefully and sympathetically considered after her examination by a Pensions Medical Officer on 25th September last. As, however, she was not found to be incapable of self-support by reason of permanent infirmity, it is regretted that no award of special allowance could be made to her under the terms of the Acts.

A Chara,

With reference to your letter of the 20th ultimo on behalf of Miss Winifred O'Malley, Arderry, Aughagower, regarding her application for a special allowance under the Army Pensions Acts, which was refused on 5th November, 1960, because she was not found to be incapable of self support by reason of permanent infirmity, I am directed by An tAire Cosanta to state that if Miss O'Malley wishes to have her case reconsidered, it will be necessary for her to submit medical evidence that the state of her health has considerably disimproved since her medical examination by a Pensions Medical Officer in September, 1960, and that she is now incapable of self-support by reason of permanent infirmity. The evidence should be supported by a medical certificate containing the details outlined in the enclosed leaflet.

If and when such evidence is received, the matter will receive further consideration.

Re: Miss Winifred O'Malley, Arderry, Aughagower, Westport.

Dear Sir,

I refer to your letter of the 6th inst. herein and have conferred thereon with my client's sister, Miss Sarah O'Malley. Miss O'Malley does not agree with the statement in your letter that the Pension's Medical Officer was notified by her that the Applicant did not wish to attend at Castlebar for the necessary Medical Examination. The explanation given to your Medical Officer was that the Applicant was ill in bed and therefore unable to travel to Castlebar. For the past six months the Applicant has not been outside her own home and is still unable to travel to Castlebar. She is in failing health and will be sixty five years of age in July next.

I am to inquire if it is not possible that the Medical Officer would attend at her home for the purpose of carrying out the requisite Medical Examination. Kindly let me hear from you.

Yours faithfully,

Oliver P. Morahan

Dear Sir,

I refer to your letter of the 26th September last when you stated that the above named was not granted a Disability Pension under the Army Pensions Acts. My client instructs me that she did in fact receive three pay orders for a total sum of £14 odd in June 1963. She has a clear recollection that it did appear on the face of the Warrents that there were in respect of disability allowance. I would again therefore refer you to my letter of the 14th September and you might please look into the matter and confirm what the position is.
