XXXXXXXXXXXXXXXXXXXX

I want to put before you the case of Pte John Murphy, who was killed in Kerry on the 14th September '22. He got no pay since he went to Kerry and his wife never got a penny allowance, since he joined the Army. Mrs. Murphy has nothing in the world to support her and was depending solely on him. She has two young children, so it is very hard on her to try to live. Please attend to this badly needed case if at all possible, at your earliest convenience. I know this woman personally.

Signed, ...*Seán Nestor*...Lieut.
